

OZARK WILDERNESS BOYS CAMP

Issue #3, Winter 2023

Thank You

More than a year has passed since the purchase of the property for Ozark Wilderness Boys Camp. We reflect on that year and see a nearly overwhelming abundance of blessings from God and His people.

From the beginning, people have voiced their encouragement for the idea of a Boys Camp in the Midwest. How different it would be if we were attempting to undertake this without a spirit of encouragement around us.

Many individuals have contributed financially. Kindhearted men and various businesses have given of their resources. The camp board members have invested in the vision and devoted much energy to laying the groundwork for a camp. People from all over have offered their time and talents to come and move the work forward.

Sometimes it's felt like there has been such a surge of gifts in so many forms that we can hardly keep track of who to thank for what. So thank you, one and all, for what you've done. It is our prayer that each gift, great or small, will be a building block in place where God will be glorified, and souls will be blessed.

Now may He who supplies the seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruit of your righteousness, while you are enriched in everything for all liberality, which causes thanksgiving through us to God. II Corinthians 9:10-11 NKJV

And now we turn to our Father and say the last verse of II Corinthians 9.
Thanks be to God for His indescribable gift!

-Albert Stoltzfus, Camp Director

Camp Staff

Grant Hershberger -
Maintenance

Ryan Troyer -
Maintenance

Albert Stoltzfus family - Camp Director

Fundraising Goal

We are working toward the purchase of a 28'x44' modular cabin that will serve as an office as well as living quarters. The building is constructed by Buckhorn Builders in Ohio and will be placed on a full basement.

The fundraising target for this complete building project is \$250,000. To date, \$80,000 has been raised toward the \$250,000 target.

If you would like to contribute toward this project, please send earmarked funds to LeAlan Fox (Treasurer).
